Jingle Bells...

Message from the GM

The holiday season is once again upon us. Christmas is a special time for us at Simcoe Terrace as we get to be a small part of many family celebrations helping Residents prepare to go and visit family or receive friends and family here.

We are also reminded of those less fortunate and thank those who are giving to assist us in helping out a family or two in need.

For those Residents unable to share the season with family, I am always so proud of staff and residents who so naturally take the time to share their joy and make sure no one feels excluded.

From all of us at Simcoe Terrace have the merriest of Christmases and for 2017, peace and goodwill throughout the world.

Take care everybody,

**Michael Ayers,
General Manager**

Narcissus, symbolises sweetness, vanity and self esteem

December birthdays have claim to three gemstones; **Zircon**, **Tanzanite** and **Turquoise**. Each of these gemstones carries a unique blue tone making it a perfect birthstone for Minnesota's frigid December winters. **Zircon** can be found in a variety of colors, but blue is the overwhelming favorite
