Happy Mother's Day

■ Message from the GM

All of a sudden Winter departed in April and May Spring weather is here. Unfortunately we are ending April with a few colds and Public Health mandated closure of our Public Lounges. With everyone's cooperation we are hopeful to reopen and resume activities early in May.

This is a hard way to reinforce the importance of good hand washing, and self reporting to the Nursing Staff if you have cold or stomach symptoms.

On a brighter note we have a number of new staff and new residents, so thank you for making them feel welcome.

Stay Well Everybody
Michael Ayers,
General Manager

■ Welcome to the Terrace

Flowers, Stones and Signs for May Babies

The fragrant **Lily of the Valley** signifies sweetness, humility, and a return to happiness. If you want to show your loved one that your life is complete with them, give them a few lilies of the valley. The other May flower is the **Hawthorn** plant, which represents hope and supreme happiness. Hawthorn signifies that you want only the best for the recipient

May birthdays fall right in the heart of spring, and the **Emerald** is the perfect gem to symbolize and celebrate this month. Prized for its brilliant and beautiful green color, the emerald is often favored by the rich and famous to wear as statement pieces for big events. The emerald, a symbol of rebirth, is believed to grant the owner foresight, good fortune, and youth. Emerald, derived from the word "smaragdus," means, quite literally, "green" in Greek.
