April Showers Bring May Flowers!

Message from the GM

March is apparently going out like a lion and April arriving with a winter like Easter!

April is the month when Monica begins her maternity leave. We wish her all the best and will miss her guidance and positive attitude. I never doubted we were all in good hands with Monica supervising the Nursing Department.

Having said that, we are pleased that Amanda Daley, who has been day Charge Nurse for the last 5 years, has accepted the position of Director of Wellness in Monica's absence. I can't imagine a more capable replacement and look forward to working with Amanda in her new role.

That's it from here for now,

Happy Easter and Happy Passover everyone,

Michael Ayers, General Manager
